KEEPING UP THE FLOW

New 250x250 mm frame size

- Same lower part as for 200x200 mm drains and same accessories
- Available as 1-part or adjustable drains
- All in stainless steel

The new BLÜCHER® Drain Industrial range with frame 250x250 mm complements the BLÜCHER® Drain Industrial program which is now available with frame sizes as follows:

| | |
|------------|------------------|
| 200x200 mm | type 7xx.4x2.xxx |
| 250x250 mm | type 7xx.4x1.xxx |
| 300x300 mm | type 7xx.4x3.xxx |

The 250x250 mm industrial drains incorporate the same lower parts as used for the 200x200 mm range and has flow capacities equivalent to the 200x200 mm range.
